USA
Canada
India
South Korea
Immediate Action
Postpone the start time for Wed AM class in order to brainstorm the team strategy.
As we starting the evacuation planning, we are in constant contact with the instructors flying in for the advanced training and considering their input.

No evacuation
Hotel
Shut down elevators Sunday at 7PM
Options
Send everyone home now (Wed prior to storm)
Finish the week and hope everyone can get out of the airport before it closes.
Cancel the advanced training for the following week.
Move forward with the advanced training
Supplies
Candles
Water
Matches
Plan
Church in W. Palm Beach
In case of an evacuation, the church bus would shuttle us off the island and we could continue the workshop in their chapel.
Emergency Phone numbers and church location were provided to all incoming instructors. If they couldn't get onto the island they were to go to the church.
Gather Food & Supplies
Food
Granola Bars
Tuna
Coffee
Peanut Butter
Cheese
